

fiber optics broadband in your home town

Dear residents of
Kottweiler-Schwanden,

In cooperation with Stadtwerke Ramstein-Miesenbach, we will be expanding access to high-speed broadband internet to the local communities!

Top-quality fiber optic cable will soon replace the legacy copper-based DSL-technology in current use.

This new FTTB/H fiber optic connection (Fiber to the building/ home) will guarantee you the highest possible up/download speeds and the cleanest broadband signal from the service provider all the way into your home or apartment's access point.

It doesn't matter whether you're on the Internet for business or pleasure; participating in online meetings or enjoying your favorite streaming service – with fiber optic cable, you will be prepared for the future!

- ✓ **With our company, you have a local and reliable partner at your service. Our professionals aim to exceed your expectations.**
- ✓ **We will advise and support you from the first consultation through the complete installation in your home**

Stadtwerke Ramstein-Miesenbach GmbH · Am Neuen Markt 8 · 66877 Ramstein

*To the inhabitants of
Kottweiler - Schwanden*

Your exclusive benefits:

- Register your interest now – always be informed directly
- Agree on a preliminary contract and save installation fee.
- with fiber optics up to 750 MBit/s you will be up to 10 times faster than with conventional DSL.
- different plans available, adjusted to your situation; a change of the contract model is possible at any time before the start of the contract.

Select the secure fiber optic connection with stable Bandwidths according to your needs.

*We start with you
Fiber optic expansion
in your home country*
